TERMINAL DISCLAIMER TO OBVIATE A PROVISIONAL DOUBLE PATENTING REJECTION OVER A PENDING "REFERENCE" APPLICATION	Docket Number (Optional) 105769-0007-104							
In re Application of: Roifman et al.								
Application No.: 10/593,851								
Filed: May 22, 2007								
For: NOVEL COMPOUNDS FOR MODULATING CELL PROLIFERATION								
The owner*, _HSC Research and Development Limited Partnership	, of100							
percent interest in the instant application hereby disclaims, except as provided below, the termi								
any patent granted on the instant application which would extend beyond the expiration date of the patent granted on pending reference Application Number 10/566,815 , filed on	December 4, 2006							
patent granted on pending reference Application Number 10/300,813 , filed on December 4, 2000 , as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on sald reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the reference application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.								
In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said reference application, "as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application," in the event that: any such patent: granted on the pending reference application; in the event that: any such patent: granted on the pending reference application, is statutority disclaimed on the pending reference application, is statutority disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.								
Check either box 1 or 2 below, if appropriate.								
For submissions on behalf of a business/organization (e.g., corporation, partnership, university, government agency, etc.), the undersigned is empowered to act on behalf of the business/organization.								
I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
